

Recalled Products

Bolthouse Farms

Bolthouse Farms is voluntarily recalling a selection of protein drinks due to possible spoilage that may cause the beverages to appear lumpy, taste unpleasant and have an off odor.

These products should not be consumed. The issue was identified after the company received consumer complaints, including reports of illness. The cause of this issue is currently under investigation.

The recall includes Protein PLUS shakes with 'best by' dates between 6/20/16 to 9/18/16:

Product Description	UPC Code
Protein PLUS Chocolate 325ml/11 oz	0-71464-01868-9

The recall also affects the following Mocha Cappuccino products.

Mocha Cappuccino Perfectly Protein 450ml/15.2oz	Best by: 9/2/16	0-71464-30051-7
Mocha Cappuccino Perfectly Protein 946ml/32oz	Best by: 8/2/16 and 8/3/16	0-71464-30050-0

The best by dates are printed on the cap and label at the neck of the bottle and the UPC appears on the bar code.

The recall affects 3.8 million bottles that have been distributed nationally in the United States.

Bolthouse Farms is advising people not to drink these beverages and return them to the store where purchased for a full refund. For more information call 1-866-535-3774 between 6:00am to 7:00pm PST, Monday to Friday or visit Facebook/BolthouseFarms.

Bolthouse Farms apologizes for the inconvenience.

Sunflower kernel recall impacts Nature Valley Protein Chewy Bars & Nature Valley Simple Nut Bars

General Mills announced today a voluntary national recall of four specific flavours of Nature Valley Protein Chewy Bars and Nature Valley Simple Nut Bars. The recall is being issued as part

of sunflower kernel supplier SunOpta's ongoing national recall for the potential presence of *Listeria monocytogenes*. General Mills has not received any direct consumer reports of confirmed illnesses related to this supplier issue.

The four flavours of Nature Valley bars that are part of the recall were distributed to retail establishments throughout the United States. Consumers are asked to check their pantries and dispose of the products affected by this recall, regardless of when they were purchased or what date is on the package.

Other General Mills products that use sunflower kernels have not been impacted. SunOpta announced the expansion of their sunflower kernel recall yesterday (June 1, 2016) which impacted these four specific flavours of Nature Valley bars.

This voluntary recall includes the following products currently in stores or consumers' pantries:

Nature Valley Protein Chewy Bar -Honey, Peanut & Almond with Pumpkin Seeds - 5 count

Package UPC: 000-16000-47196

Nature Valley Protein Chewy Bar-Peanut, Almond & Dark Chocolate - 5 count
